The Praja Socialist Party passed a resolution alleging that due to the inference and connivance of officers of the Civil Supplies and Co-operative Departments there has been defalcations and irregularities in many of the Producers'-*cum*-Consumers' Co-operative Societies in Malabar and suggesting that a proper enquiry might be made into these complaints. The Government requested the Collector to contact the Secretary of the Praja Socialist Party and discuss the matter. The Collector accordingly contacted the Secretary. He wanted certain information regarding defalcations and other irregularities in various Producers'-*cum*-Consumers' Co-operative Societies and the action taken on certain communications and resolutions of the Societies. The Collector furnished him the available information and requested him to furnish the particulars of specific instances which have come to his notice of indifference or connivance of officers as alleged in the resolution. To this he mentioned certain instances of irregularities in the Producers'-*cum*-Consumers' Co-operative Societies and other complaints, all of a general nature, but could not cite any specific instance of indifference or connivance of officers of Civil Supplies Department.
